Understand how writing can be different from speech

# Maths Mastery

The National Curriculum emphasises the importance of all children mastering the content taught each year and discourages the acceleration of children into content from subsequent years.

We aim for all children to

- become fluent in the fundamentals of mathematics, experience varied and frequent practice with increasingly complex problems over time in order to develop conceptual understanding and the ability to recall and apply knowledge rapidly and accurately
- reason mathematically by following a line of enquiry, spotting relationships and generalisations, and developing justification or proof using mathematical language
- solve problems by applying their mathematics to a variety of routine and non-routine problems with increasing sophistication, including breaking down problems into a series of simpler steps and persevering in seeking solutions.

## Year 3 Key Objectives

Count in multiples of 4, 8, 50 and 100

Compare and order numbers up to 1000

Add and subtract numbers mentally, including round numbers to HTU

Add and subtract using standard column method

Estimate answers to calculations and use the inverse to check answers

Know  $3\times$ ,  $4\times$  and  $8\times$  tables

Identify horizontal, vertical, parallel and perpendicular lines

Understand that tenths are objectives or quantities divided into ten equal parts

Compare and order simple fractions

Recognise and show equivalent fractions

Find and write fractions of a set of objects

Add and subtract fractions with common denominators (less than one)

Measure, compare and calculate measures using standard units

Measure the perimeter of simple 2-D shapes

Add and subtract money, including giving change

Tell and write the time from an analogue clock, including using Roman numerals

Interpret and present data using bar charts, pictograms and tables

# Year 3 Science Key Objectives

Set up simple fair tests

Collect and present data from scientific experiments

Use results from experiments to draw simple conclusions or suggest improvements

Describe the main requirements for plant growth (air, light, water, nutrients from soil, and room to grow)

Explain the main stages of plant reproduction (pollination, fertilisation, seed dispersal)

Explain some functions of skeletons and muscles in animals

Identify the three main rock types and describe their properties

Notice that light is reflected from surfaces

Find patterns in the way that the sizes of shadows change.

Group materials according to their magnetic properties

# Year 3 Spelling

Statutory requirements	Rules and guidance (non-statutory)	Example words (non-statutory)
The /ɪ/ sound spelt y elsewhere than at the end of words	These words should be learnt as needed.	myth, gym, Egypt, pyramid, mystery
The /ʌ/ sound spelt ou	These words should be learnt as needed.	young, touch, double, trouble, country
Words with endings sounding like /ʒə/ or /tʃə/	The ending sounding like /ʒə/ is always spelt <b>-sure</b> . The ending sounding like /tʃə/ is often spelt <b>-ture</b> , but check that the word is not a root word ending in <b>(t)ch</b> with an <b>er</b> ending – e.g. <i>teacher, catcher, richer, stretcher</i> .	measure, treasure, pleasure, enclosure creature, furniture, picture, nature, adventure
Words with the /k/ sound spelt ch (Greek in origin)		scheme, chorus, chemist, echo, character
Words ending with the /g/ sound spelt –gue and the /k/ sound spelt –que (French in origin)		league, tongue, antique, unique
Words with the /s/ sound spelt sc (Latin in origin)	In the Latin words from which these words come, the Romans probably pronounced the <b>c</b> and the <b>k</b> as two sounds rather than one – /s/ /k/.	science, scene, discipline, fascinate, crescent
Words with the /eɪ/ sound spelt ei, eigh, or ey		vein, weigh, eight, neighbour, they, obey

# Year 3 Grammar & Punctuation

## Sentence Structure

Expressing time, place and cause using conjunctions [for example, **when, before, after, while, so, because**], adverbs [for example, **then, next, soon, therefore**], or prepositions [for example, **before, after, during, in, because of**]

## Text Structure

Introduction to paragraphs as a way to group related material

Headings and sub-headings to aid presentation

Use of the present perfect form of verbs instead of the simple past [for example, He has gone out to play contrasted with He went out to play]

## Punctuation

Introduction to inverted commas to punctuate direct speech

## Terminology for Pupils

preposition conjunction, word family, prefix, clause, subordinate clause, direct speech, consonant, consonant letter vowel, vowel letter, inverted commas (or 'speech marks')

## Behaviour Policy

We have chosen three rules through which the code of conduct is promoted in all aspects of school life.

Be

- Ready
- Respectful
- Safe

### Incentives and Rewards

A major aim of the school policy is to encourage children to practice good behaviour by operating a system of recognition and reward. All staff give verbal or written recognition as often as possible. Other rewards include:

- **Positive notes home**
- **Beads in a bottle** (class reward)
- **Certificates**
- **Hot Chocolate Fridays**
- **VIP wrist bracelets (Over and above)**

### The mindfulness room

At breaktimes and lunchtimes, a calm room is available for children to come to if they are feeling angry or upset and need to calm down.

### Sanctions

Our sanctions policy concentrates on encouraging children to make sensible choices and putting things right when possible. If a child breaks a school rule (e.g. by disturbing others through chatting, calling out etc) the 'Sanctions Ladder' should be followed with children moving to the next point on the ladder if the behaviour continues or worsens.

Before going on to the "ladder", the teacher will notice by giving the child a look or let the child know that they are making a poor choice.

If the child continues to break school rules...

1. **Reminder**
2. **Warning**
3. **Time out or move in class**
4. **Repair** (discuss behaviour with teacher and consider how best to repair the problem)

If you are sent out of your classroom, your teacher will speak to your parents.

If your behaviour does not improve you will discuss this with your class teacher and Head Teacher and your parents will be contacted.

Repeated classroom disruption may result in a behaviour chart or plan being implemented.

If a child wastes time or does not complete work that has been set, the work will be completed in the child's own time i.e. at break or lunchtime.

### Serious Breaches of the Behaviour Policy

For more serious behaviour e.g. swearing, spitting, causing physical harm, damaging school property, which goes beyond the breaking of class rules, the adult dealing with the situation will need to use their professional judgement over the best course of action ensuring the safety of children and staff first.
