How do I book a place?

You will need to book the sessions you require via Arbor

Where do I drop off and collect from?

When dropping off your child for WAC BC, you will need to drop off at the new community room [old pre-school] entrance. Collection will be the same place at the end of each session, if you choose to collect earlier then you may need to collect from the back playground if sunny.

What will be taking place at the club?

The club will be a mixture of outdoor play, sports and games as well as indoor creative opportunities, construction and games. This will be developed over time when we know how many children we have and what their preferences are.

Can I book a half session for after an activity-based session (for example a Sports Xtra or school run club) has finished?

Unfortunately, not. The half session option is for the first half session only – End of school to 4.30pm.

Should you wish to have your child attend WAC ASC for the second half you will need to book a full session and then inform us of the other club booking. This is due to ensuring staffing requirements are met and not prevent too many empty spaces when demand appears high.

Is there a Club Agreement?

There is an agreement covering the 'rules' of the club, cancellation policy and late pick up charges etc.
