## Polite Reminders

**Meet & Greet Presentations:** We appreciate some of you were unable to make the M&G's. All presentations will be sent out to each year group once all meetings have taken place. They will also be uploaded to our Website.

**Consents:** Can we please remind you to update your consents on Arbor. If you have already declined and want to change any, we can do this for you.

**Google Classroom:** Please remember to log in as your child to access their account. If you are being asked for a code, you may be logged in on your email.

**Wrap Around Care:** As we now have to manage any changes to clubs on your behalf, can we please ask you give us as much notice as possible - thanks in anticipation.
