## Behaviour Policy

We have chosen three rules through which the code of conduct is promoted in all aspects of school life.

Be

- Ready
- Respectful
- Safe

## Incentives and Rewards

A major aim of the school policy is to encourage children to practice good behaviour by operating a system of recognition and reward. All staff give verbal or written recognition as often as possible. Other rewards include:

- **Positive notes home**
- **Beads in a bottle** (class reward)
- **Certificates**
- **Hot Chocolate Fridays**
- **VIP wrist bracelets (Over and above)**

## The mindfulness room

At breaktimes and lunchtimes, a calm room is available for children to come to if they are feeling angry or upset and need to calm down.

## Sanctions

Our sanctions policy concentrates on encouraging children to make sensible choices and putting things right when possible. If a child breaks a school rule (e.g. by disturbing others through chatting, calling out etc) the 'Sanctions Ladder' should be followed with children moving to the next point on the ladder if the behaviour continues or worsens.

Before going on to the "ladder", the teacher will notice by giving the child a look or let the child know that they are making a poor choice.

If the child continues to break school rules...

1. **Reminder**
2. **Warning**
3. **Time out or move in class**
4. **Repair** (discuss behaviour with teacher and consider how best to repair the problem)

If you are sent out of your classroom, your teacher will speak to your parents.

If your behaviour does not improve you will discuss this with your class teacher and Head Teacher and your parents will be contacted.

Repeated classroom disruption may result in a behaviour chart or plan being implemented.

If a child wastes time or does not complete work that has been set, the work will be completed in the child's own time i.e. at break or lunchtime.

## Serious Breaches of the Behaviour Policy

For more serious behaviour e.g. swearing, spitting, causing physical harm, damaging school property, which goes beyond the breaking of class rules, the adult dealing with the situation will need to use their professional judgement over the best course of action ensuring the safety of children and staff first.
