

Overton CE Primary School's Friday Update

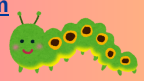

We have been blown away by the kindness you have shown us this week. Please do not underestimate how much your support means to us. Your words of encouragement motivate us and your chocolate and biscuits have certainly kept us going! Thank you! We won't get our overall grading for 6 weeks [approx]. All of the staff worked exceptionally hard and we are very proud of the team we have here at Overton CE Primary.

Sports Xtra - Summer 1 Clubs and Easter Camps

We hope your children are enjoying the After School Clubs and we are now looking ahead to clubs starting after Easter. All courses are now set up and are available to book on our website www.sports-xtra.com. Please book quickly as many of you are aware, some of our courses sell out very quickly! The clubs that we are able to offer after Easter are Dodgeball (Tuesday) and Dance (Wednesday). It will be a 5 week booking period for both clubs. Both clubs are open to all children in Year 2, 3, 4, 5 and 6. Whilst writing, please remember that during Easter we will be running Holiday Camps at Everest Community Academy. Here are all the details:- If you are looking for something for the children to do over Easter or just simply need some good quality structured childcare, then look no further. The children will enjoy many traditional and non traditional Sports, Spy Games and Adventure Games. As always bookings can be made through our website www.sports-xtra.com

Summer Term Clubs

Our Summer 1 Clubs have gone live this week. Please can you remember to pay for Nature Club & Drama by no later than 31st March. We have a large waiting list for all clubs. We are aware that due to Stubbington, there will be a reduced number of sessions. As such, there will be no performance on the last week as originally communicated. Children in Summer Club 1 for Drama will be automatically added to Summer Drama Club 2 [if they want to]. If you do have any queries, please contact the office and not the staff directly.

Balanced Diet Policy

Our approach to promoting nutrition and our balanced diet policy can be found on the website [also attached]. Please make note of the healthy lunch and snack options as we will be looking for your support with this upon return from the Easter Holidays.

For Your Safety

Can we please remind you that bikes are to be left at the bike rack at the bottom gate at drop off & pick up. It is too busy to walk bikes through at these times.
