We have a few spaces left on our School Nurse Clinic on Thursday 5<sup>th</sup> Feb. Please email in if you would like an appointment.

## Staff Led Clubs - Spring 2

We will soon be advertising Spring 2 Staff Led Clubs. Please note there will be some changes going forward with the bookings & payment of these clubs. Due to the amount of administration in setting up these clubs, if your child is allocated a space, payment will be required. If your child drops out of the club, no refunds will be given. Children can not swap from club to club. There will be no late adds to clubs, so please make a note of the sign up deadlines. Can we please ask that you DO NOT book your child onto these clubs without discussing it with them first. Children are allocated via the Random Wheel Generator, so there is no rush to fill in the form prior to discussing this with your child.

## Young Voices 2026

We would like to congratulate our Young Voices for proudly representing OCEP in the O2 London Arena on Tuesday. They were superstars! Our thanks to Mrs Dyer and Mrs Garrett for making it happen and a big shout out to our parent helpers, who were very much appreciated by us all.

## Living Eggs

Our Hedgehogs & Year R children will soon be learning about the life cycle of a chicken. We will be housing our eggs in the reception area in March. If anyone would like to be considered to be a forever home for two or more of our chicks, please contact the office.

PARENT CONSULTATIVES WILL BE GOING LIVE IN FEBRUARY. PLEASE LET THE OFFICE KNOW IF YOU ARE A SEPERATED FAMILY AND NEED TWO APPOINTMNTS
