 - 1.30 -3.30pm

If anyone would like a [mini] Grand Piano, we have been very kindly offered one from a member of the community. Unfortunately we don't have space. If you can house it - please get in touch.

Donations

We are excited to share that our Summer Fete is fast approaching. The Nursery team will be running a Soft Toy Tombola stall on Saturday 20th June.

To make this a fun and successful activity for the children, we are asking for donations of soft toys. If you have any 'pre loved' soft toys at home that are clean and in good condition, we would be very grateful to receive them.

Donations can be brought into the Nursery/School over the coming weeks.

Warmer Weather

As the warmer weather is hopefully here, we would like to remind you to apply sunscreen on your child prior to coming into school. They also need to bring a hat and have a water bottle each day. With Walk to School Week fast approaching, you may like to consider walking to school to help us reduce car emissions and ease the traffic congestion.

Art Week - Volunteers

We have Art Week coming soon [wk. com 18.05.26], why not volunteer and join in the fun? This year the children will be learning all about Africa. If you are available, please fill in the attached form. If you have already sent a form back - there is no need to complete another one.

Government Updates/Links

Switched On to Privacy

Privacy of information online is an area which is growing and growing, but it can also feel overwhelming. The UK Information Commissioner has created a great new portal for parents and caregivers giving support and advice around online privacy with sections on explaining privacy to children, choosing privacy settings, advice on how to start a conversation, case studies and more.

Roblox Kids and Roblox Select

Roblox have been making some big changes recently, and that now includes 'age-gating' so that children and young people get the experience according to their age. This means that there are now 3 types of Roblox accounts:

- Roblox Kids - for children 5-8 years.
- Roblox Select - for children 9-15 years.
- Roblox - for anyone 16+.

For any users that have not completed an age check, they will be put into the youngest users category and parents can update or correct a child's age through a linked account. The link below will take you to a simplified breakdown of the different accounts.

If anyone would like to make a donation towards a leaving gift for Keith or send in a message, we will be happy to collect.
