iRock

We are pleased to share that spaces in iRock bands are available now to book for September!

At iRock, children experience the excitement of being in a real band, learning instruments, playing songs they love and building confidence through music. Led by passionate and professional Band Coaches, the fun and inclusive in-school sessions help children develop teamwork, resilience and musical skills in a supportive environment.

Every term ends with a live concert performance for family and friends, giving children the chance to shine like real rockstars and celebrate everything they've achieved.

Full details on how to sign up can be found here.

You can also contact iRock at info@irockschool.com, or 0330 174 2655, if you have any questions.
