

Overton CE Primary School

Love - Hope - Faith

OSA

There are lots of ways to support the OSA this year, whether you can spare an hour at an event or are interested in a bigger ongoing role. We are currently looking for a new Treasurer, trustees, committee members and event volunteers—there is no minimum commitment. Find out more at overtonsa.org/signup. Please also join us for our AGM at 7pm on Wednesday 30 September, save the date for our fireworks on Saturday 7 November, and help us sell 50 more weekly lottery tickets to reach 100 by half term. Visit our new website at overtonsa.org or email contact@overtonsa.org.

Christmas Cards

Today, each child received an artwork template to create their own unique Christmas design. Only 105 sleeps to go! Please read the attached tips for guidance on what your child can and cannot include. Posters around the school may also offer inspiration and ideas.

Once complete, please write your child's full name and class number in capital letters and return the template to school by Friday 18th September 2026.

We appreciate it is early - only 105 sleeps to go! - but purchases of cards and gifts through the 2026 Christmas Project will raise valuable funds for the school. Product details, prices, and shop order deadlines will be shared soon.

Harvest Festival

Our Harvest Breakfast & Festival is on September 28th. More details will be sent about the breakfast in the next few days. We will also be collecting for the Rotary again this year. Please pop in and collect a box.. These will need to be returned by no later than Monday September 28th.

Mobile Phones

Could we please remind parents we are a mobile free site to avoid where possible using their mobile phone whilst in the school grounds. Whilst we appreciate 'life happens', if you could take any calls once off the school grounds, we would be very grateful.

Staff Led Clubs

We are very pleased to announce that Staff Led Clubs will be back soon. Please keep an eye out in the Friday Update for the sign up dates in the next few weeks.

Don't forget we are still selling bread rolls for 40p

Meet & Greet

Many thanks to those who attended the meet & greet this week. Presentations will be sent out after the meeting to all in the year group.
